## ATTLEBORO SANITARIUM.

We receive persons suffering from mild mental and nervous diseases, who need the influence of pleasant home surroundings, with the attendance of trained nurses and the watchful care of an experienced physician. Our methods are those which have been found best adapted for the relief and cure of this class of cases, and include Electricity, Massage, Baths, etc. Especial attention given to the preparation of foods to meet individual cases.

For references, terms, etc., address

LAURA V. G. MACKIE, M.D., ATTLEBORO, MASS.

## VERNON HOUSE. For the Private Care and Treatment of Mental and Nervous Diseases, Alcoholism, Opium, and other like Diseases of Habit.

Number limited to Ten Patients, affording most constant and careful supervision of each case by the physician and his assistant. Medical treatment and all means to promote the recovery of the mind and body. Opportunities for recreation and amusement are also provided. The house is pleasantly situated in the city of New York, and is a most desirable place for the treatment of the above mentioned diseases. Voluntary and compelled patients received the most liberal treatment. The house is situated in the city of New York, and is a most desirable place for the treatment of the above mentioned diseases.
