Call to Action

All Americans have the right to recover from addiction to alcohol and other drugs
Recovery-friendly Communities

Our goal is to develop communities and a society that are recovery-friendly. One piece of this is to create what some are calling:

*Recovery-oriented systems of care.*

Recovery-oriented Systems of Care

- Treatment is part of recovery. Recovery is the larger construct
- GOAL of treatment = absence of symptoms of clinical disorder
- GOAL of recovery = achieving overall wellness and restoring your life (an ongoing process)

Who’s part of the Equation?

- Individuals seeking help and their families
- Effective, quality addiction prevention, treatment and recovery support services
- The organized recovery community

Recovery-oriented Systems of Care

- Communities of recovery
  - Recovery Community Organizations
  - Mutual support groups
  - Recovery homes
  - Recovery schools
  - Recovery media and entertainment
  - Organizations of recovering professionals
  - Treatment professionals and many others...
Recovery-oriented Systems of Care

Mobilizing all of the resources in our communities to:

- Change discriminatory public policies in the areas of health care, jobs and housing
- Develop networks and systems that work together to treat addiction as a public health crisis and accord dignity to people with addiction
- Help more people find and sustain their recovery for the long-term

Historical context...

Recovery Community Organizations...

BRIDGE the gap!

Recovery Community Organizations

- Almost 200 recovery community organizations around the country

- Ranging in size/budget/scope:
  - 3-5 members to 1,000s of members
  - All volunteer to 20+ staff members
  - $0 budget to over $1 million/year
  - Local, regional, state

Recovery Community Organizations

- Independent, non-profit organizations that are led and run by representatives of local communities of recovery on behalf of the recovery community.
  - Public education – putting a face and a voice on recovery
  - Advocacy
  - Peer-based and other recovery support services.
Recovery Community Organizations

- Recovery Community Centers
  A physical location where recovery community organizations organize their ability to care
  - A recovery resource for the community, where recovery-oriented workshops, trainings, meetings, services and sober social events happen
  - A place where the recovery community can volunteer and give back

Peer Recovery Support Services

Recovery-oriented Systems of Care

It's all about ensuring that people get the care and support that they to lead a healthy and fulfilling life.
- Embracing all pathways to recovery
- Networks of formal and informal services
- Policies that support the ability of people to get into recovery and to sustain their recovery

Faces & Voices Vision...

- Communities of recovery will continue to spring up all over this country helping people find and sustain their recovery for the long-term.
- People in recovery, families, friends and allies will organize and mobilize as a constituency of consequence in thriving Recovery Community Organizations.
- Discrimination against people in recovery will be eliminated and the same rights and opportunities will be afforded to all Americans.
