

Religious Alternatives to Twelve Step Programs

There are clients who express interest in an explicitly religious framework of recovery, or wish to substitute such a program for expectations of Twelve Step program involvement that may be a condition of probation or license re-instatement. The following is intended as an information sheet to be handed to clients seeking religiously-oriented recovery support groups.

Program	Web Site or National Telephone Contact	Local / Regional Contact
Addictions Victorious	http://www.addvicinc.org/
